

Vocabulary from Chapter 10

Directions: Use context clues to figure out the meaning of the word in bold. Then use the dictionary to check your definition. Write a new sentence that uses the word.

1. ... when he came to the fire, or just near the shelter where the smoke eddied and swirled, the insects were gone. (95, 2)

2. He had to be sure to try and sleep in short intervals so he could keep the fire going, and he tried to think of a way to regulate his sleep ... (97, 1)

3. The hunger, always there, had been somewhat controlled and dormant when there was nothing to eat but with the eggs came the scream to eat. (99, 4)

4. His whole body craved food with such an intensity that it quickened his breath. (100, top)

5. His throat tried to throw it back up, his whole body seemed to convulse with it, but his stomach took it, held it, and demanded more. (101, 7)
